Sumer Program

I am getting ready for the summer program. Forms for the summer are on the office door. I'm planning some new field trips and getting rid of some of the old stand-bys. No worries. Massanutten Water Park is still on the list! I would like to bring in more people this summer with talents. If you know of anyone who would like to spend some time teaching our kids a new skill (basket weaving, music, cooking) please let me know. I have a rough schedule of thematic units but if we have someone coming in, I can always add and delete. The plans are not yet set in stone!

Field Trip

Yesterday we had the opportunity to go to A Dream Comes True playground in Harrisonburg. It started off a little chilly but many of the children had their coats off by the time we left. Not one time did we hear, "When are we going to eat?" or "When can we leave?". I always look at that as a successful trip! When you have a chance, check out the pictures from the field trip on the side bulletin board.

Happy
Birthday

Devon Michael—April 11
Ayden Myers—April 17

Our group from the park.

Thank You

I would like to thank Lisa Shickel for bringing in shirts for painting. The ones we've had were getting a little crusty, and I mean that literally. Some of the paints we use aren't washable and they make the t-shirts feel

crusty! I would also like to thank Kim and Angela Sandridge for their chickens' eggs. Anytime we have something that has an egg in it, their chickens have provided it!

Wish List

Cotton Balls
Any color paint
5 oz Dixie Cups
