Fri!

Fall

Registration

It's that time of year again. The time of year when you get all the pretty colored papers from BCCC and get to fill them out! The good news is, your children are back in school, on a regular schedule and your life can get back to being a little bit more normal. The bad news is ALL OF THE PAPERWORK!!! Well, perhaps this will make your day. The papers you need can now be e-mailed to you...in theory. I have taken the paperwork and made them into PDF's. All you need to do is request it from me, download it on your computer and fill it out and send it back. That way you will have the papers on your computer for the next go round! Let's hope it works! Whichever way you decide to have the information delivered to you, I will be out of the office the week of August 3—7 and will check e-mails the following week. Any requests will be sent to you at that time.

Summer

We're heading down the home stretch! Only a few more field trips and then another summer will be in the rear view mirror. We've had some new field trips this year that I hope the children enjoyed. Still to come, the equestrian center and Grand Caverns, a yoga instructor and trip to Bridgewater Retirement Home.

Comments

We were at the pool yesterday and Molly Early asked me if we were going to do scrap books this year. I told her that we had done them last year and would do them again next year. She proceeded to tell me that she made one last year but didn't do it two years prior to that. *She didn't understand how special they would be to her then but she understands now.* Out of the mouths of babes!

Facebook

In an attempt to increase our current enrollment, I have posted information with regards to fall registration on our Facebook page. If you could take a moment to **share** the information on your own Facebook page, we can really get the word out about our program. We think that we have a much different program than the one offered at the school and so many people are not aware that we exist.

Wish List

Small Lunch Bags
Any size wiggly eyes
White washable paint

August Calendar

- ♦ August 21—last day of the summer program
- ♦ August 24—CLOSED
- ♦ August 25—Open at 7 AM to receive children and closing at 6:00 PM
