Back to School

New Employees

As some of you may know, we lost two employees this summer, but for good reasons! Joanne Forrest has taken a full time position at Blue Ridge Christian School and Marina Vann has taken a semester to do her student teaching. Marina will be back in January and perhaps I can convince Joanne to return next summer! In their place, I have hired a new face. Leland Brooks started the middle of August and has been a good addition to our team. She enjoys interacting with the children and has become a favorite already!

Bus Time

Just an FYI—the bus is coming earlier this year. Most mornings it's pulling in about 7:40 so if your child is not usually here in the morning and you bring them much after 7:40 the bus will have already come and gone.

County Fair

One of our own entered items into the Rockingham County Fair. Molly Early entered three items; sugar cookies with cherries on top, sugar cookies and peanut butter cookies. She won first place for her sugar cookies with cherries and third place for her plain sugar cookies! Congratulations

Molly! I'm thinking that means I no longer have to prepare snack!

New Rates

We have new rates this year so I thought I would discuss the new rate system for those new to the program and a refresher course for those who have had children in the program previously. For one child the rate is now \$50.00 per week. For a second child you get a 10% discount, making it \$45.00. For weeks where we are short a day (such as next Monday with Labor Day), the fee is still paid in full as there will be many early releases and two hour delays for which you are not charged. If you have any questions, please feel free to ask!

Thank You

Thank you to all of the parents who took leaves off of our giving tree! I'm hoping that means you will not be seeing a wish list on the newsletter for quite some time! All of the items, with the exception of the cleaners, go towards your child's arts and crafts. I truly appreciate everything that is brought in as that's less shopping for me and more fun for your children! There are still leaves so pick away!

September Calendar

- ♦ September 7—Closed
- ♦ September 23—Open at 1:16
