## Christmas Break

Since Christmas falls on a Friday and schools are in session until the 22nd, we will not be open any additional days that week. We will, however, be open **7:30—5:30**

December **28, 29 and 30**. There will be a sign up sheet on the door prior to those days. Please take the time to sign up one way or the other so there will be enough snack and employees for those on the list.

## Contest

I figured it was about time BCCC had some type of logo. Your children will have some extra time over the holiday. If they are so inclined, have them draw up something they think is representative of BCCC and then bring it back January 4. Make sure they color it and do it exactly how they would like it to be. I will bring it to the January Board meeting and have the Board Members vote. The winner will get a \$10 gift certificate to a place of their choosing. All participants will receive something. Good Luck!!!

## Child Care

It has been brought to my attention that Little Treasures in Dayton will be closing effective

December 18. I can't imagine 1.) losing my job so close to Christmas OR 2.) having to find child care two days before Christmas Break. If you happen to know of anyone who has children who attend John Wayland and currently go to Little Treasures, please let them know about us. If you happen to know people who have younger children that attend Little Treasures please let them know about Child Care Connection through RMH/Sentara. They have a list of child care providers in the area who watch children of specific ages and can help individuals find someone in the area in which they are searching. It's a stressful time of the year to begin with and every little bit helps!

## Field Trip

Last Wednesday we took a group of ten to Bridgewater Retirement Home. The children were of various ages (4—10) and they spent about 30 minutes with some of the residents, either reading to the residents, or, in the cases where the child couldn't read, being read to. We then went to Oakdale Park, where the children played for another 45 minutes. It was even warm enough many of the children took off their coats! After the park we ventured over to El Charro where we had an enjoyable lunch! Not only did the children have fun but they also did something nice for others.

## December Birthdays
