Spring Break

Spring Break is right around the corner and there are a couple of things you may want to know. First, we will be closed Good Friday. Secondly, if your child is not in attendance the week of Spring Break, there is no fee. Since you are not paying for the week in the first place, these days are \$25.00 per day, per child as opposed to the usual \$15.00 you pay for snow days and teacher workdays. I will have a sign up sheet as we get closer to the days. Please remember to sign up your child. I buy snack and I staff according to the numbers. If we have 12 children signed up and I buy something with only 12 items in it, I'm scrambling to make up the difference to the children in a comparable snack. That is not always possible.

Summer

I will begin planning summer in the next couple of weeks. Our fees have increased slightly, and only if you have two children or if your child comes on a part-time basis. Summer registration forms are currently on the door to the double room. If you have any questions regarding the summer program, please ask and I will be more than happy to answer them. I have not yet thought of field trips although I know that's the first question people ask. We WILL be going to Massanutten Water Park again this summer or I will have some very unhappy children. I also know we will continue to go to the pool and as in year's past, it will be Thursdays. I haven't thought beyond that but when I have the field trips I will let you know!

Facebook

Thank you very much to those who go to our Facebook page and like it or share it on their Facebook pages. It is the easiest way for us to get our name out there. I can't tell you how many people call and inquire about the program never knowing it existed. Word of mouth is also a wonderful way of spreading the news about our program. We have received several calls from people who know people who have children who come here. Thank you, also, for talking us up!
